Mysore Govt. Central Press, Bangalore —2-9-93-1,000.

Bangalore 13th October
1841.

The Chief Secretary to
the Dewan of Mysore
Mysore.

Sir,

I beg respectfully submit the following for the favourable consideration and orders of the Government of Mysore.

The Dewan Bahadur is fully aware of the several charities instituted by me in Bangalore. Among these are one high school, 3 primary schools, for boys and one for Girls. I have set apart Rs 45,000 / as a funded capital for these schools and it is proposed to appoint a Committee of trustees in whom the management of the schools will be vested.

My

My chief desire in having taken the Mysore Railway De-
- bentures was to secure stability to the amount to be set apart for the schools, but as the De-
- bentures will mature shortly, I am very anxious to secure a deposit with the Mysore Government of the amount (Rs 75,000/-) on the same interest as the debenture now bays in order that the income of the charitable schools may while being safe, be at the same time increased than by any other investment.

I humbly beg to assure the Durbar that it shall form one of the stipula-
- tions that the trustees shall conform to any advice that

may be given by the
Mysore Government towards
the management of the School
and to express a hope that in
consideration of the object
which necessitates this prayer
and of my long connection
with Mysore and loyalty to
our beloved H. H. the Maharaja
my application may receive
the special consideration of the
Dewan Bahadur.

For which act of
kindness, I shall, as in duty bound
ever feel grateful to the Durbar

I beg to remain
Sir,
Your most obedient Servant
